### Afterlife

2077 Silver Street  
Opens 10 PM Friday

The Afterlife was best be described as a cross between a country-western bar and a motorcycle guild hall. The sound system played a variety of martial music and Gothic rock, and the closest thing to dancing was the occasional brawl. But this is a pro's club, no one needed to prove themselves; their presence was proof enough. Any brawls were strictly for fun.
